IT CO-OP PROFILE

Computer Programming and Analysis (CPA) student with strong academic performance and hands-on experience building programming and web-based projects. Seeking an IT co-op position to apply technical skills, gain real-world experience, and contribute to practical software and IT solutions.

Skills

TECHNICAL SKILLS:

- Programming: Java, C++, C#.
- Web: JavaScript, HTML, CSS.
- Frameworks & Tools: .NET / ASP.NET Core, React, Angular, jQuery.
- Databases: SQL, relational database concepts.
- Development Tools: Git, Visual Studio, IntelliJ.

SOFT SKILLS:

- Problem-solving and analytical thinking.
- Ability to learn new technologies quickly.
- Clear written and verbal communication.
- Time management and task prioritization.
- Attention to detail in technical work.

PROJECTS & PORTFOLIO

experience with academic and personal software projects. Programming and web development projects demonstrating problem-solving, clean code structure, and application of concepts are available at: <https://abdulfattah0.github.io/Portfolio/>

EDUCATION

Advanced Diploma – Computer Programming & Analysis (CPA3)

Fanshawe College | Sep 2023 – Present

GPA: 3.95

WORK EXPERIENCE

Merchandiser – PepsiCo | Jan 2024 – Present

Managed inventory levels, ensured accurate product placement, and worked independently to meet deadlines in fast-paced retail environments.

Team Lead – Dollarama | Apr 2022 – Dec 2023

Supervised staff, supported daily operations, and assisted with inventory organization and workflow efficiency.
